nammex Organic Mushroom Extracts

Premier quality NAMMEX certified organic medicinal mushrooms are extracted exclusively from fruiting bodies grown under natural conditions to promote the same index of compounds that are found in wild mushrooms. They are then tested for fungal beta-D-glucans, the primary marker for ensuring medicinal mushroom quality.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

NAMMEX® ORGANIC MEDICINAL MUSHROOM EXTRACTS:

Turkey Tail Mushroom (*Trametes versicolor*) Fruiting body Extract

Turkey Tail's wide range of biological activity is largely attributed to its beta-glucan polysaccharide content. It is found to potentiate a healthy immune response and promote healthy cell behavior along with supporting healthy liver and neurological function.

Red Reishi Mushroom (*Ganoderma lucidum*) Whole body Extract

Reishi modulates healthy immune response, promotes healthy inflammatory response, and provides antioxidant activity, encouraging healthy cellular response and enhancing defenses.

Chaga Mushroom (*Inonotus obliquus*) Sclerotia Extract

Chaga has demonstrated the ability to modulate healthy immune and inflammatory response and provide antioxidant activity. It also promotes healthy microbial balance and liver function.

Shiitake Mushroom (*Lentinula edodes*) Fruiting body Extract

Shiitake is notable for its ability to modulate healthy immune response, provide antioxidant activity, and promote healthy cell behavior. Shiitake encourages healthy liver and cardiovascular function as well as a healthy microbial balance.

Poria Sclerotium (*Poria cocos*) Whole body Extract

Poria sclerotium, or Fu Ling in Chinese, is a highly revered medicinal fungus that grows on the moist underground roots of Pine trees. Poria demonstrates the ability to modulate healthy immune and inflammatory response and provides antioxidant activity.

FEATURED SYNERGISTIC HERBAL EXTRACTS:

Chinese Skullcap (*Scutellaria baicalensis*) Root Extract & Baicalin

Chinese Skullcap is a source of over 50 flavonoids with baicalin considered the main bioactive component. Chinese Skullcap promotes healthy inflammatory response, cell behavior, and microbial balance and is also found to encourage liver, cardiovascular, and neurological health.

Milk Thistle (*Silybum marianum*) Seed Extract

Renowned in herbal medicine for its ability to protect liver health, Milk Thistle modulates healthy immune and inflammatory response and protects healthy liver function by effectively scavenging free radicals.
